	HUM/FINE ARTS	Humanities/Fine Arts (Select One) ²	*	3	0	0	3
	PSY 150	General Psychology		3	0	0	3
		Semester Totals		15	5	0	17

- A. Completing the courses above (1st year) will meet all of the general education requirements associated with the medical laboratory technology program and are appropriate for students who plan to transfer after graduation to obtain a 4-year MLS degree. These courses can be completed in any sequence unless a specific course requires a pre-requisite. While it is not required, it is **highly recommended** for students to complete these courses before applying to the MLT program because they are used in determining program grade point average (G.P.A.) and quality points for MLT program admission.
 - a. If a student has less than a 2.5, it is recommended they repeat the above coursework to achieve a higher grade, especially if they earned a "C" in the science courses.
 - b. If a student has less than a 2.5 after repeating the coursework, the student is encouraged to explore other programs of interest.
- B. The courses listed below (2nd year) are courses that fulfill the requirements for the associate degree in general education and are required to transfer to an MLS program. These courses will help a student that may have a GPA greater than 2.5, but misses the application deadline or a student who was not chosen for acceptance into the MLT program. These students may take the courses below (2nd year) while they are waiting to reapply to the MLT program.

Year 2		Third Semester: Fall				
	CHM 151	General Chemistry I	3	3	0	4
	MAT Elective	Math Elective ³	2-3	2	0	3-4
