Campus Watch Procedure

Campus Watch is a program designed to alert the campus community that a formal process for reporting crimes and safety hazards exists on campus. Individuals can report incidents to the Beaufort County Community College Police Department (BCCC PD) in person or by phone and remain anonymous if they desire. Students and employees have the option to notify and seek assistance from law enforcement and campus authorities of crimes and safety hazards that exist on campus. They may also choose not to report such crimes.

Any person that believes that they are the victim of domestic violence, sexual assault, stalking, etc. should contact BCCC PD or the Beaufort County Sheriff's office who will assist you and direct you to the appropriate entity for seeking judicial no-contact, restraining and protective orders
